

## **Partnership for Prescription Help (PPA)**

The PPA is sponsored by America's pharmaceutical research companies, who work with doctors, pharmacists, health care providers, patient advocacy organizations and community groups to educate patients.

The PPA helps uninsured and financially struggling patients who lack prescription coverage get access to prescription assistance programs that offer medicines for free or nearly free. It's easy for patients to find programs for which they may be eligible to apply.

The PPS is free and confidential and offers a single point of access to information on over 475 public and private patient assistance programs, including nearly 200 programs offered by pharmaceutical companies.

Patient cans call toll free (888) 4PPA-NOW (888-477-2669) to talk with a trained specialists who will guide them through the application process.
